## MEADOWOOD SPA — REJUVENATED

Meadowood, the luxury resort on Napa's Silverado Trail, recently gave guests another reason to relax. A new spa, two years in the making and designed by noted architect Howard Backen, opened Nov. 2 and offers luxury treatments to the hotel's guests and Meadowood members (hotel rooms start at \$500 per night).

An Essential Journey (90-minute massage) is offered for \$225, while a 5½-hour Meadowood Curated Collection (including a wellness sojourn, exfoliation, wrap, massage, facial, scrub and meal) runs \$1,235. Other treatments priced somewhere in between offer mud, rosemary and mint, grape seeds, hot stones and black walnut scrub. Featured product lines include Caudalie, Luzern Laboratories, Hydrafacial MD, Glycelene and Aromatherapy Associates. A 350-square-foot Spa Boutique and Estate Boutique, meanwhile, offers cosmetics, candles, clothing and home goods. Call it a stocking stuffer if your Santa has a healthy wallet. Gift certificates available at (855) 458-8080. For more information, see [www.meadowood.com](http://www.meadowood.com).
